

Celebration is an earlier maturing 6-row malting barley, with good malting characteristics suitable for the eastern black and brown soil zones

Key Features

- Good yields, 105% of Legacy in SK
- Shorter straw with improved lodging resistance over similar varieties
- Superior malting profile compared to other 6-row malting varieties
- MR rating to covered smut

Overall Characteristics

Yield	109% of AC Metcalfe	Test Weight	49 lb/bu
Maturity	E	Awn	Smooth
Height	+2 cm	FHB	MS
Lodging	VG		
Origin	Busch Agricultural Resources - LLC		

Overall characteristics reflect provincial seed guide and/or official registration data. Yield in MB Seed guide. Height cm +/- AC Metcalfe
