

Parkland Fertilizers Trial

TRIALS TO DATE

Location: Wetaskiwin, AB
 Grower/Cooperator Name: Rix Farms
 Trial Type: Strip trial

**2016
THROWBACK SNOW
HARVESTING!**

Variety	Yield* (bu/ac)	Protein (%)	CGC Grade	Type	Stripe Rust
AAC Connery	84.4	14.9	3 CW	CWRS spring wheat	R
AAC Brandon	84.1	13.8	Feed	CWRS spring wheat	MR
AC Muchmore	83.2	13.6	Feed	CWRS spring wheat	MR

*Yield was adjusted to 14.5% moisture to give a direct comparison between varieties

Harvest Date: November 9, 2016

Trial Notes: This trial was harvested after the snow storm. The farmer had the varieties graded and the only one that kept the milling grade was AAC Connery. Also, check out the significant protein advantage (+1.1 to 1.3 %) over the competing varieties.
