

A4414RR

EDP Hybrid Grain - Roundup Ready 2 Corn®

High performance multi-purpose grain, silage and grazing hybrid

- Early grain maturity ensuring high starch content and an early harvest
- Long lasting staygreen
- Combines early maturity with very good digestibility for high energy yield

OVERALL CHARACTERISTICS

CHU	2050-2175
Emergence	Very Good
Spring Vigour	Very Good
Plant Height	Tall
Stalk Strength	Excellent
Root Strength	Excellent
Drought Tolerance	Very Good
Test Weight	Excellent
Dry Down	Good
Staygreen	Excellent
Ear Type	F
Starch	Very Good
Crude Protein	Very Good
NDFD	Very Good
Milk or Beef Acre	Very Good
Milk or Beef Tonne	Very Good
