

A4414RR

Effective Dual Purpose (EDP) -Roundup Ready 2 Corn®

High performance multi-purpose grain, silage and grazing hybrid

- Early grain maturity ensuring high starch content and an early harvest
- Long lasting staygreen
- Combines early maturity with very good digestibility for high energy feed yield
- Outstanding emergence, standability and plant health

OVERALL CHARACTERISTICS

CHU	2050-2175
RM Range	72-75
Emergence	Very Good
Spring Vigour	Very Good
Plant Height	Tall
Stalk Strength	Excellent
Root Strength	Excellent
Drought Tolerance	Very Good
Test Weight	Excellent
Staygreen	Excellent
Ear Type	Fixed
Starch	Very Good
Crude Protein	Very Good
NDFD	Very Good
Milk or Beef Acre	Very Good
Milk or Beef Tonne	Very Good
