

CS Daybreak

Canada Western Red Spring

A high-yielding variety with excellent disease protection and great physical and functional quality

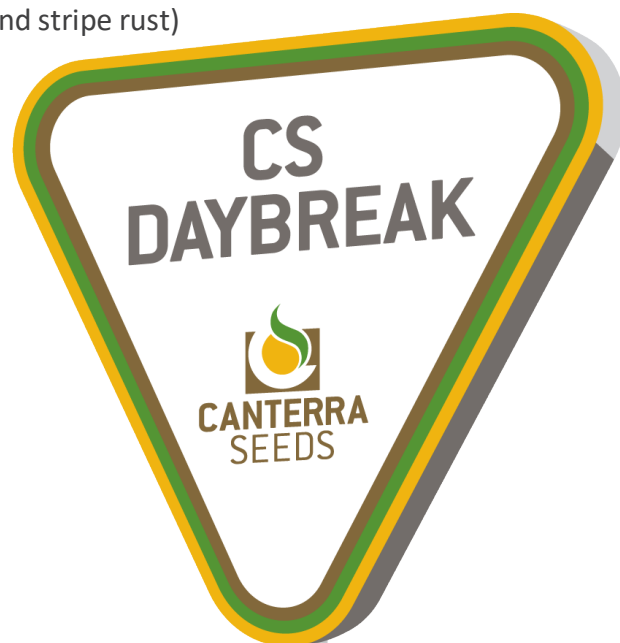

- Class-leading grain yield with excellent yield/protein balance
- Outstanding rust resistance package (R to stem rust, MR to leaf and stripe rust)
- Mid-maturity similar to AAC Brandon

YIELD PERFORMANCE

CS Daybreak	101%
AAC Brandon	100%

OVERALL CHARACTERISTICS	
Maturity	Medium
Height	Medium
Growing Zone	Prairie wide
Lodging Resistance	Good
FHB Resistance	I
Stripe Rust Resistance	MR
Leaf Rust Resistance	MR
Stem Rust Resistance	R

* the value represents the average number observed during the three years of evaluation in Reg. trials
